POLICY & MEMBER ACKNOWLEDGEMENT & CONSENT

I have been advised of, understand & agree to the CFMEU (NSW Branch) Construction & General Division's policy in respect of wage claims matters as follows: -

Where the members are financial for only part of the period of their complaint, we will only recover entitlements that were owing in the period that they were financial. For example if a person has 4 years of entitlements owed to them but has only been a member for 6 months we will only recover the entitlements owed for the 6 months.

_____ / ___ / ___
MEMBER SIGNATURE **DATE**

I hereby authorise the CFMEU (NSW Branch) Construction & General Division to act on my behalf in the recovery of any wages & entitlements owed to me. I also authorise the union to credit my membership any monies recovered on my behalf which I have not claimed within six (6) months of the finalisation of the claim. I understand I can withdraw my money any time provided it will be periodically drawn against as my dues become payable.

I agree to maintain my financial CFMEU membership until the time the CFMEU finalises this claim. If I do become unfinancial, I will promptly contact the CFMEU and make arrangements to ensure I again become financial.

CBUS, ACIRT, UPLUS AUTHORITY:

I authorise the CFMEU, CBUS, ACIRT and UPLUS to provide and exchange personal information, as required, from my Wage Claim file and my CBUS, ACIRT or UPLUS accounts to assist the union in recovering unpaid entitlements owed to me. Such information includes but is not limited to; my birth date & address, my employers' company name(s), dates & amounts paid per employer per month, nil return dates, short-paid returns, missing monthly payments and, the date & the amount of last payment made to my CBUS/ACIRT/UPLUS account.
